Thieme's Archival Strategy

Thieme ensures the long-term preservation and future availability of its digital journal content by cooperating with the digital archive providers [CLOCKSS](#) and [Portico](#). The journals are digitally preserved, and the papers remain available and accessible via CLOCKSS and Portico, even if the content is no longer offered by Thieme. All published papers remain part of the scholarly record through this archival strategy.

Product Names

Product names which are in fact registered trademarks may not have been specifically designated as such in every case. In cases where a product has been referred to by its registered trademark it cannot be concluded that the name used is public domain. The same applies to labels, names or other signs.

Personal PDF

The corresponding author will receive a PDF file for personal use. The personal PDF can be posted on the following types of repositories: individual, institutional, subject-related.

Online

The scientific content of this journal is available online through Thieme-connect, <https://www.thieme-connect.com/products/ejournals/journal/10.1055/s-00032269>.
